Who we work with

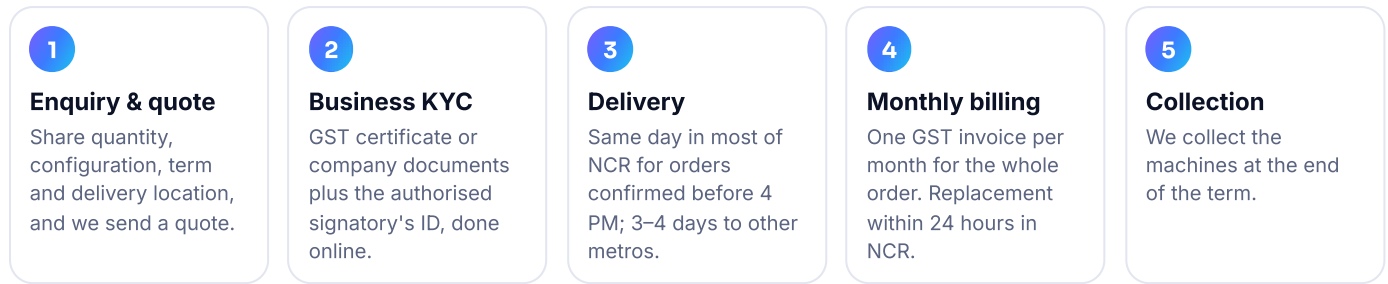

Typical clients

- ✓ Companies and startups scaling a team or opening a new office
- ✓ IT staffing and contract-hiring firms (laptops for contractors)
- ✓ Training institutes and corporate training batches
- ✓ Exam, assessment and hackathon organisers
- ✓ Conferences, exhibitions and product launches
- ✓ Agencies and studios needing MacBooks or RTX workstations

Why rent from us

- ✓ Monthly plans with a GST invoice; no capital outlay
- ✓ Identical, factory-reset machines for every user in a batch
- ✓ Spare units available so a failed machine never stops work
- ✓ Upgrade RAM or SSD on request
- ✓ Shorter needs handled as event orders, quoted on request
- ✓ Collection at the end of the term

How an order works

Commercial terms

Billing	Monthly, on a GST invoice. 18% GST is added to the listed rent.
Minimum term	One month. New-generation laptops, newer MacBooks and current workstations carry a 12-month lock-in; older configurations are month to month. Anything under a month is an event order, quoted on request.
Quantity pricing	Six price tiers from 1–5 units up to 100–200 units. Larger orders quoted separately.
Deposit	Refundable security deposit where applicable; may be waived for verified companies.
Delivery	Free in Noida. Delivery elsewhere in Delhi NCR and shipping to other cities confirmed on the call.
Support	On-site replacement within 24 hours in Delhi NCR if a device fails; 3–4 days in other cities.
Data	Every device is factory reset before dispatch and after return.
Cancellation	Cancelling, or refusing delivery, after an order is placed attracts one month's rent for the order.

Where we deliver

Highlighted: Delhi NCR, served from our Nehru Place hub (same day in most localities). Other cities: dispatched from Delhi NCR, 3–4 days.
